Re: **Twin County Grocers**
WINSTON $4.00 Off Return Goods

Dear Joe:

The rep that called on Twin County to repack/return the above product did not itemize the return product by brand styles, which is needed by Twin county to subtract from their cigarette inventory. As a result, the WINSTON $4.00 off product has not been shipped to Winston-Salem. Please have your rep call on Twin County as soon as possible to:

Itemize this product by brand styles
Re-do the return goods form
Submit a corrected copy to Winston-Salem
Contact T. J. in inventory control at Twin County
Call trucking company to pick up returns.

As you are aware, this product had a deadline on being shipped to Winston-Salem, and it has passed.

Your immediate follow through on this matter will be appreciated.

Sincerely,

J. T. Jones
